instruments

Program will begin promptly at 6:00 p.m.

Coming Soon.... St. Basil Trivia Night!

We will be having our 4th Annual Trivia Night. This is guaranteed to be an evening of fun and laughter!

Start gathering your team and put all the knowledge that you have to the test. Teams of 10 work to answer trivia questions. It is \$10.00 per person and you must be 18 years old to play. Best team score wins a cash prize!

After the holidays more information will be coming your way. We will need some volunteers to work that evening. If you are able to share your time, please contact a Booster Board Member.

Middle School progress reports are being sent home today. Please look over the document, sign it, and return to your student's teachers as soon as possible. Thank you!

Attention Middle School Parents and Students!

All middle school students and parents are asked to help with the delivery of Christmas packages during the week of December 18. This service project is geared to help others by giving back to our community. Our students have a long history of helping others in need through this program. Please call the school office 637-3529 or turn in the form that was email to you. ~Thank you~

Thursday's Mass

We celebrated the Immaculate Conception of the Virgin Mary. Father Bob talked about how everyone deserves a second chance, so when we make a mistake we can always try again. Today's feast reminds us that Mary said yes to having Jesus as her son.
